An official GMAT Score Report

Consists of Four Parts:

1. Verbal Scaled Score (on a scale from 0 to 60)
2. Quantitative Scaled Score (on a scale from 0 to 60)
3. Integrated Reasoning Score (on a scale from 1 to 8)
3. Total Scaled Score (on a scale from 200 to 800)
4. Analytical Writing Assessment (AWA) Score (on a scale from 0 to 6)

The total score is a scaled combination of the verbal and quantitative scaled scores, and thus reflects a student's overall performance on the multiple choice sections of the test. The AWA & IR score is independent of and has no impact on the total scaled score.
